Covet NYC opens a model floor and office in a new **luxury design** space in the Heart of Midtown. More than a model floor it's a special **design project** where you can find **12 Luxury brands** of interior Design, all represented by **COVET HOUSE**. This staging project promises to enhance everything that is outstanding when it comes to **exclusive design**.

Boca do Lobo, DelightFULL, Brabbu, KOKET, Maison Valentina, LUX XU, Essential Home, CIRCU, PullCast, RUG'Society, Foogo, and Caffelatte are the **luxury brands** that together fill this space into a luxurious dream home. This space can challenge one in all your senses, so get ready for a one-of-a-kind experience that elevates the **contemporary design!**

The **luxury design** was exclusively curated and handpicked by Rincón Design & Development and the **exclusive design furniture** was picked by Covet House. Right in the heart of New York, the city that never sleeps, and the most inspiring place in the world, this mansion emerges you in **quintessential iconic New York** in an adventure that activates all your five senses in a world of textures, glamour, design, and exclusivity!

One of New York's most renowned **interior designers** cemented his reputation with this sophisticated interior. **Thomas Juul-Hansen and Extell Design** envisioned discreetly opulent interiors that reference great French modernists such as Jean Michel Frank. Each **residence** has been meticulously planned with gracious layouts, wide dimensions, and materials of the **highest quality**.

This **modern building** sits at the epicenter of Manhattan where The Plaza District meets Central Park. Often referred to as **'Billionaire's Row'**, it is the ultimate landscape of society, culture, and commerce. A dream staging project for all **collectible** and exclusive design lovers!

The entire **design setting** is enhanced by the **incredible view** of the skyscraping city. The big windows totally make the piece stand out and do justice to the **natural beauty** of it and its glorious and meticulous finishes.

The tower was developed by **Extell Development Company** and designed by **Christian de Portzamparc**. It was the first ultra-luxury condominium tower along the stretch of 57th Street that was subsequently named Billionaires' Row!
